Sherbet Punch Recipe

Prep Time: 15 minutes

Ingredients:

2 12-ounce lemonade concentrate
5-6 cans of water
1/2 can (46-ounce) pineapple juice (about 23 ounces)
1 cup sugar
1 bottle of 7-Up (1 liter), pre-chilled
1 pint of frozen lime or orange sherbet

Kitchen Equipment Needed

Large Punch Bowl

Instructions:

Step 1: Pre-chill all ingredients.

Step 2: Mix lemonade, water, and pineapple juice, and sugar in a large punch bowl until dissolved.

Step 3: Slowly pour in 1 bottle of 7-Up or other clear carbonated sweet soda.

Step 4: Place scoops of lime or orange sherbet on top of the punch and this sherbet punch recipe is ready to serve. The ice cream will melt in to the soda and also works to keep the drink cold without the use of ice.

This ice cream punch makes about 30-6 ounce servings.
